## Material Handling Instructions

### How to Ship to Advance Warehouse & Direct to Show Site:

- Remove all old shipping and empty storage labels from items to be shipped.
- Fill out and attach enclosed Advance to Warehouse or Direct to Show Site labels included (or exhibitor generated facsimiles containing all pertinent information).
- Take the time to insure that your shipments are properly packed and packaged. ME&E is not responsible for goods damaged in shipping (see Terms & Conditions).
- Choose a carrier with trade show experience and schedule a pick-up of your shipment. Confirm that your selected carrier is able to meet the shipping and receiving deadlines for your show.
- Do not send blanket wrapped or uncrated shipments to the Advance Warehouse. Ship these items directly to Show Site.
- Consign all DOMESTIC shipments to Modern Expo & Events.
- Complete and submit enclosed Material Handling Estimate form.
- A properly filled out Bill of Lading must accompany all shipments. Certified weight tickets must accompany all shipments.
- Confirm receipt of your shipment (advance shipments only) with the ME&E team before travelling to show site.
- For INTERNATIONAL shipments, or for other Material Handling questions, please contact our Exhibitor Service team at (801) 983-8102 or [expo@modernexpo.com](mailto:expo@modernexpo.com).

### Benefits of Advance Shipping to Warehouse:

- Storage of materials for up to 30 days prior to your show.
- Delivery of materials directly to your booth space prior to your scheduled move-in time.
- Convention centers, hotels and other event facilities may not have the capability to receive and store your shipments prior to your show dates.

**Freight Carriers:** Select a carrier with trade show experience. Be sure to give your carrier specific instructions, including dates and times when shipments must be delivered and picked up. Delivery and pick-up times for trade shows often fall outside of "normal" hours, so make sure your carrier is capable of meeting target dates and times.

**Estimating Material Handling Charges:** Material Handling charges are based on the weight of the shipment. Shipments are billed in 100 lb. increments (CWT), rounded up to the nearest 100 lbs. There is a minimum charge of 200 lbs. (2CWT) on many shipments. Please refer to the Material Handling Estimate page for pricing details. ME&E cannot and will not accept collect or COD shipments. Crated and uncrated shipments must be separated on individual Bills of Lading with separate weight tickets. Failure to separate crated and uncrated shipments will result in the entire shipment being classified as Special Handling and charge as such.

### DEFINITIONS:

**Crated Materials** are materials that are skidded, crated or in any type of container that can be unloaded at dock level with no additional handling required.

**Uncrated/Special Handling Materials** are materials that are loose, shrink or pad wrapped, bagged, not skidded or that cannot be unloaded at dock level without additional handling.

**Small Package Shipments** are cartons or envelopes received without documentation (usually via carriers such as UPS, FedEx, etc.). Maximum weight is 50 lbs. per shipment, per delivery. Maximum of three (3) packages per shipment. All shipments received via air carrier or air freight forwarders that do not fall under the Small Package category, or that include more than 3 packages per shipment, may be subject to Special Handling charges.

**Transportation Surcharge** is charged for shipments that are delivered or picked up "off target" our outside of designated freight delivery and pickup times and dates. See Quick Facts page for designated delivery dates for your show.

**Outbound Freight Only** is freight handled only at the close of the show. Material Handling fees for Outbound Only shipments include moving materials from your booth space to the dock and loading on your designated carrier.

**Machinery Labor and Equipment:** Labor and equipment used for uncrating, un-skidding, positioning, leveling installing, dismantling, re-crating and re-skidding must be ordered separately. See the **Forklift** and **Labor** forms to order these services.

**Storing Empty Containers:** Properly labeled empty shipping containers will be removed from your booth space and stored. They will be returned to you as quickly as possible following the close of the show. Depending on the size of the show, it can take between two and twelve hours to return all empty containers. Please plan accordingly. Empty/Storage labels are available from the Exhibitor Service Desk and must be filled out and attached to your containers when they are ready to be removed. Do not store any material or equipment that you need to access during the show in a container with an Empty/Storage label. If you need to access your container, obtain Accessible Storage labels from the Exhibitor Service Desk. Accessible storage fees may apply. Empty crate storage may not be secure.

## Material Handling Instructions

**Outbound Shipments:** Each outbound shipment must have a completed ME&E Bill of Lading accompanying the shipment. Bills of Lading are available at the ME&E Exhibitor Service Desk. Exhibitors will need to make their own arrangement for pick-up with their designated freight carrier. An exhibitor representative should remain on-site to insure that your shipment is picked up as planned. Any shipments that remain on show site past the outbound shipping deadline will be forced out on ME&E's carrier of choice at the exhibitors sole expense. ME&E does not provide carrier shipping label

End-of-Show Outbound Shipping Instructions:

- Exhibitors are responsible for providing pre-printed labels for their outbound shipments. If you do not have pre-printed labels, you can create them online on the website of your designated carrier. Print the labels and place them on all containers in your shipment.
- Schedule pick-up with your designated carrier. This includes small package services such as UPS, FedEx, as well as larger freight carriers such as YRC, UPS Freight, etc. If you do not have a preferred carrier, we can re-route your shipment via our preferred carrier, YRC Freight. You are responsible for all shipping charges.
- Fill out a ME&E Bill of Lading. Please make sure to make a selection in the designated area of the Bill of Lading that lets us know what you would like us to do with your shipment if your carrier fails to pick it up.
- Once you have filled out your Bill of Lading, scheduled pick-up with your carrier, and properly packaged your materials, leave your boxes in the center of your booth space and return the Bill of Lading to the Exhibitor Service Desk. This lets us know your shipment is ready for pick-up and we will then retrieve your shipment, move it to the dock and load it onto your designated carrier when they arrive.

**YOU ARE ENTERING INTO A CONTRACT WHICH LIMITS YOUR POSSIBLE RECOVERY IN CASE OF LOSS OR DAMAGE:** The terms and conditions set forth below, together with any applicable Order, become a part of this agreement (the "Agreement") between Modern Display Service, Inc. DBA Modern Expo & Events ("ME&E") and you, the Exhibitor. You are agreeing that you have been fully advised, understand completely, and are willing to accept the following terms and conditions. By exhibiting, ordering or receiving goods or services, requiring transportation of goods to or from, or acting as an agent for an exhibitor, at an event at which ME&E is the designated service contractor, you accept and agree to be bound to the terms and conditions set forth herein.

### DEFINITIONS:

For the purposes of this Agreement, "ME&E", "Modern", "we", or "us" means Modern Expo & Events, a registered DBA of Modern Display Service, Inc., a Utah Corporation, and its employees, directors, officers, agents, assigns, affiliated companies and related entities not limited to any subcontractors we may appoint. "Exhibitor" or "you" means the exhibitor as set forth in an applicable Order, its employees, directors, officers, agents, representatives or any exhibitor appointed contractor ("EAC") which may act on behalf of the exhibitor. "Order" means the purchase order, work order or other similar order form accompanying these terms and conditions, which, together with the terms and conditions set forth herein, comprise the entire Agreement between ME&E and the Exhibitor.

### PAYMENT TERMS:

We require 100% payment with Order for rentals, services, anticipated material handling and drayage charges, and applicable sales tax. We require a valid credit card on file prior to the acceptance of any Order. We accept VISA, MASTERCARD, AMERICAN EXPRESS and DISCOVER cards. By providing your credit card number and information to us via a Payment Authorization form or placing Orders online, you agree that we may place your credit card information on-file to be used for any additional show site services or future purchases. Your credit card information will remain on-file for the duration of the event. Full payment must accompany all orders and be received by our office prior to the applicable deadline date to qualify for any discounted or advance order rates. All orders received after applicable deadlines will be charged at standard rates.

PLEASE NOTE THAT PURCHASE ORDERS ARE NOT ACCEPTABLE AS A FORM OF PAYMENT.

We accept company checks, drawn on a US bank as a form of payment. We do not accept personal checks as payment.

To pay by check, mail your check, along with your Order to:

We accept ACH and Wire Transfers as a form of payment. For ACH or Wire Transfer information, please call our Exhibitor Service team at (801) 983-8102.

All invoiced amounts are due upon receipt of invoice. ME&E does not offer credit terms. Any unpaid balance after the close of the show will accrue interest at the rate of 1.5% per month (18% per annum). You are responsible for all costs and fees incurred by us that are associated with collecting your unpaid balance. These may include, but are not limited to: reasonable attorneys fees, court costs and other collection costs.

By providing the Third-Party Payment Authorization Form, the Exhibitor agrees that they are primarily responsible for the payment of all charges. In the event the named third-party or EAC fails to pay all charges, such charges will be paid by the Exhibitor upon submission of an invoice, including any and all fees associated with the collection of this account.

### MODERN EXPO & EVENTS' RESPONSIBILITIES:

We are only responsible for those services that we provide directly to you. We are not responsible for any persons, parties or other contracting firms not under or direct supervision and control. We are not responsible for loss, delay or damage due to strike, lockout, work stoppages, weather, natural disaster, vandalism, civil disturbance, power or other utility failures, acts of terrorism, war or threat of war or war-like actions, acts of God or other cause beyond our reasonable control. Nor are we responsible for ordinary wear and tear in the handling of materials. We will provide material handling services as your agent, not as bailee or shipper, and shall have no responsibility or obligation thereunder.

### PACKAGING AND CRATES:

We shall not be responsible for damage to loose or uncrated materials, pad-wrapped or shrink-wrapped materials, glass breakage, concealed damage, carpets in bags or poly wrappings, or for improperly packaged materials. In addition, we are not responsible for crates and packaging materials which are unsuitable for handling, in poor condition or have prior damage. Crates and packaging should be of a design that adequately protects the contents for handling by forklift and other mechanical means.

### STORAGE:

We are not responsible for loss or damage to crates, containers or packaging materials or the contents therein while containers are in storage, including but not limited to exhibitor accessible storage or cold storage. You acknowledge that storage charges are for use of space and are not a form of security or insurance from loss.

Empty container labels will be available at the Exhibitor Service Desk. Affixing labels to containers is the sole responsibility of the Exhibitor or its representatives. All labels from prior events should be removed or covered. We are not responsible for your failure to follow these procedures; removal of containers with old empty labels or without ME&E labels; shipping of containers with improper information or empty labels; or the removal or disposition of materials stored in containers with empty labels. You understand that the labels are used for storage of empty containers only and that we are not liable for loss or damage to any contents while containers are in storage, or for any mislabeled containers.

### SHOW SITE:

You are solely responsible for damage or loss to any rental items in your possession or under your control in connection with your performance hereunder, including but not limited to damage or stains to carpet, furniture or other items. Neither you or your EAC may use any type of mechanical lift on the exhibit floor, including but not limited to forklifts, pallet jacks, or man lifts.

Our working hours are subject to change due to holidays, time of day or night worked, amount of time worked and specific facility or union requirements. The normal categories of hourly labor charges are: straight or regular time, overtime, double time and holiday pay. Such hours and charges are set forth on the applicable Order.

### INBOUND SHIPMENTS:

Shipments may be delivered to your booth space prior to you or your representatives arrival, during which time the material will be left unattended. We are not liable or responsible for any loss, damage, theft or disappearance to your materials after they have been delivered to your booth site.

We are not responsible for shipments received without individual freight bills, such as UPS, FedEx or other carriers who deliver in bulk and who do not wait for piece/shipment counts or verification of condition for individual shipments. Such shipments are subject to verification and correction of count and condition and our receiving documents indicating any exceptions as delivered shall take precedence over shipper's signature of receipt.

### OUTBOUND SHIPMENTS AND ITEMS LEFT AT SHOW SITE:

There may be a period of time between the completion of packing your materials for outbound shipment and the actual pick-up of those materials from your booth for loading onto a carrier during which time materials will be left unattended. We are not liable or responsible for any loss, damage, theft or disappearance to your materials after they have been readied for shipment and the time they are picked up from your booth space.

We are not responsible for shipments left in your booth or other areas of the exhibit space or dock areas. We will count and ship pieces as we find shipments when we removed them from the exhibit space. Circumstances may also necessitate that these items be removed to our warehouse or other remote facility and shipped from there. You are responsible for any additional charges that may result from shipments left on-site without proper shipping instructions or for materials abandoned on site. You should insure your materials against loss, damage or theft.

All Material Handling Forms submitted to us by you will be checked at time of pick-up from the booth and corrections made when there is a discrepancy between the items listed on any form and the actual number/weight of items at the booth at time of pick-up.

We reserve the right to dispose of any items left on the show floor without liability if left unattended, left without labels or incorrectly labeled, or abandoned. Disposal fees will be charged to your account.

Materials are loaded onto the carrier under the direction and supervision of the carrier's representative or driver. Any loading onto the carrier will be understood to be under the

Exclusive supervision and control of the carrier representative or driver. We are not responsible for liability due to loss, damage, theft or disappearance of your materials that is caused by, arises out of, or related to improperly loaded materials.

### RE-ROUTED FREIGHT:

In order to expedite the removal of materials from the show site as required by the show manager or exhibition facility, we shall have authority to change your designated carrier if that carrier does not pick-up the shipment at the appointed time. Where no disposition instructions are made by you, materials may be removed to a remote location to await your shipping instructions, and/or consigned to a carrier of our choice. You agree to be responsible for any charges related to re-routing or special handling.

### INSURANCE:

ME&E is not an insurer. We do not offer exhibit insurance products. Insurance on exhibit materials, including any materials offered for sale, shall be obtained by you at your sole expense from a third-party insurance provider. You agree to provide, or cause your insurance provider to provide, us a release from subrogation to the extent of any insurance claim/settlement.

### CLAIMS FOR LOSS:

In order for any claim to be considered valid, you agree that notice of loss of damage to materials must be made to us or our agent within 24 hours of occurrence or any incident or prior to close of show or removal of materials, whichever is later. All claims reported after such period will be rejected. Such notice must include detail sufficient to identify the materials claimed to be lost or damaged, asserting our liability for alleged loss or damage and documentation including the specified or determinable value of the claim. Damage reports, incident reports, inspection reports, notations of shortages or damage on freight bills or other documents do not constitute filing of a claim.

- (a) **PAYMENT MAY NOT BE WITHHELD.** In the event of any dispute between you and us related to any loss, damage or claim, you will not be entitled to and will not withhold payment or any partial payment due to us as an offset against the amount of any alleged loss or damage. Any claims against us shall be considered to be separate transactions and shall be resolved on their own merits.
- (b) **MAXIMUM RECOVERY.** If found liable for any loss, our sole and exclusive maximum liability for loss or damage to your materials and your sole and exclusive remedy is limited to \$0.30 per pound per article with a maximum of \$1,000 per shipment, whichever is less.
- (c) **BREACH OF CONTRACT AND/OR NEGLIGENCE ONLY.** Our liability shall be limited to any loss or damage which results solely from our gross negligence in the actual physical handling of the items comprising your shipment(s) OR which results from a material breach of this Agreement and not for any other type of loss or damage. In no event shall we be liable to you or to any other party for special, collateral, exemplary, indirect, incidental, consequential, or punitive damages, whether such damages occur either prior or subsequent to, or are alleged as a result of, tortious conduct, failure of our equipment or services or breach of any of the provisions of this Agreement, regardless of the form of action, whether in contract or in tort, including strict liability and negligence, even if we have been advised or has notice of the possibility of such damages, or for any damages caused by your failure to perform your responsibilities. Such excluded damages include but are not limited to loss of profits, loss of use, interruption of business or other consequential or indirect economic issues.

### DECLARED VALUE:

Declarations of value are between you and your selected carrier only and are in no way an extension of our maximum liability as stated herein. We will use commercially reasonable efforts to transmit the declared value instructions to the selected carrier. However, we will not be liable for any claim arising from the transmittal of, or failure to transmit, declared value instructions to the carrier, nor for any failure of the carrier to uphold the declared value or any other term of carriage.

### FACILITIES AND SHOW ORGANIZERS:

You agree and understand that you, your agents, representatives, contractors and anyone working on your behalf must abide by and adhere to the rules and regulations of the exhibit facility and any regulations implemented by the Show Organizer. These rules and regulations include but are not limited to labor jurisdiction, health and safety, work hours, manner of work, etc. Please consult the individual rules and regulations published for your exhibit facility and by your Show Organizer.

We may immediately terminate this Agreement upon written notification in the event you breach any provision hereof. We may also terminate this Agreement for any reason for no reason upon ten (10) days prior written notice to you. In either case, you shall be responsible for any fees incurred prior to the effective date of such termination.

You agree to indemnify, defend and forever hold harmless Modern Display Service, Inc. DBA Modern Expo & Events, and our employees, directors, officers and agents from any and all demands, claims, causes of action, fines, penalties, damages (including consequential), liabilities, judgements and expenses including but not limited to reasonable attorney's fees and investigation costs on account of personal injury, death, or damage to or loss of property or profits arising out of or contributed to by any of the following:
