American Fisheries
Society – Newsletter**

Spring 2011

New York Chapter Officers
2011-2012
President: Ed Woltmann
President-elect: Frank Flack
Past President: Matt Sanderson
Secretary-Treasurer: Scott Jones

PUBLICATION STATEMENT

Title: New York Chapter American Fisheries Society Newsletter
Issue Date: **April 27, 2011**
Frequency: The NYCAFS Newsletter is published three times annually: March-April (Spring Edition), July-August (Summer Edition), and November-December (Winter Edition)
Newsletter Editor: Emily Zollweg
eczollwe@gw.dec.state.ny.us

AFS – New York Chapter Newsletter – Spring 2011

Editors' Note

Welcome to the Spring 2011 newsletter! Please enjoy, and feel free to write to me with suggestions for future newsletters! If you would care to submit something for the Fall newsletter, please email it to me at eczollwe@gw.dec.state.ny.us by August 15, 2011. I'm especially looking for fish stories and student happenings...

Emily Zollweg, Newsletter Editor

President's Corner

Although it's difficult to determine from looking out my window, Emily assures me it is indeed spring and time for my first column as the new chapter president. Before I introduce myself I would first like to commend Matt Sanderson for a job well done as president and hope that my tenure goes as smoothly as his. One thing that I do know is that I am lucky that our Secretary-Treasurer will still be around for another year to keep me from screwing up too badly. Scott Jones is truly the brains behind the operation and he will be one tough person to replace. Towards that end, if anyone is interested in the job of Secretary-Treasurer please let us know. I would also like to thank Emily for staying on as newsletter chair and ask that you all make her life easier by providing interesting articles and other tidbits for inclusion in the newsletter which remains an important means for communication with chapter members.

Now a bit about me – after graduating from the University of Vermont I have spent 27 years working for the Department of Environmental Conservation in various capacities. I started off as a biologist researching sterile grass carp use for vegetation control in ponds, went on to become Regional Fisheries Manager on Long Island and now serve as head of the Public Use and Outreach Section with the Bureau of Fisheries in Albany. My professional interests include youth education and warmwater fisheries management. Most of you probably know me best as the General Chair of the 2006 Annual Meeting in Lake Placid.

As I indicated in my remarks at the Business Meeting in Canandaigua, one of my main priorities is to improve communication with all fishery professionals in New York State. I see our website as one of the primary tools to accomplish this and I am anxious to work with Eric Latrimore who is doing an excellent job in upgrading our site. We also hope to develop a facebook site in the near future. Those of you who know me, know that I hate doing things the same 'ol way and I encourage you to contact me with your thoughts on what you like about the chapter and what we can do better. I hope to develop a survey sometime this summer that will give us a good idea of what our membership thinks.

I am currently working on arrangements for our next chapter meeting which I hope to hold in Lake Placid. Although plans for the program are still preliminary we hope to incorporate a special session on black bass management into the meeting. Don Einhouse, Paul McKeown and Jeff Loukmas have all agreed to help with development of what I hope to be a very interesting and topical program.

Well that's it for now. Hey, I think I just saw a robin fly by the window, so maybe it really is spring! Actually I just learned that there is a winter storm warning for the Albany area – Ugh!!!

Ed Woltmann, President

Editor's Note- it's my fault Ed's weather references are out of date!

AFS – New York Chapter Newsletter – Spring 2011

Chapter News

New Members

Free Fish CD and Book! Annual chapter dues are only \$10 (\$5 for students). The first 50 new chapter members (not a member for at least 5 preceding years) receive a free copy of the NYCAFS's CD *Historic Distribution of Inland Fishes of NYS: Map Series* by E. C. Raney, which provides the New York distribution of 131 freshwater fish species. In addition, the first 20 members of the Chapter who become new members in the parent organization American Fisheries Society in 2010 will receive a free copy of the *Guidelines for the Use of Fishes in Research*.

Scott Jones, Sec./Treas.

Website

As Technology Advances

During our 2011 Annual Business Meeting, I had the pleasure to present Bill Snyder with an award for his many years of excellent service for running the Chapter's website. After forming and meeting with a web design committee, I presented various options of designs and capabilities of a new website. The Chapter is going green and high tech, but **WE NEED YOUR HELP**. Please visit our webpage at www.newyorkafs.org to stay informed and to participate in our survey.

You should notice that there are three links on the bottom right of the page. Please visit these links, called Option 1, Option 2, and Option 3. An online poll is located below the links where you will be able to vote for the design of your preference. All of the options are not complete and many of the links are not working at this point. We are hoping to have an adequate response by the end of May, so we will be able to get a new site up and running by the end of July or August of this year. Highlights of the new site include:

- ✓ Online Registration
- ✓ Current Fisheries News
- ✓ Online Polls and Surveys
- ✓ Facebook Options

Please feel free to email me at ejlatrem@gw.dec.state.ny.us with your questions or suggestions.
Erik Latremore, NYSAFS Webmaster

AFS – New York Chapter Newsletter – Spring 2011

Awards

Please read through the different award descriptions and nominate persons who you feel qualify for an award. They will be presented at the banquet at the chapter meeting held in February 2012 in Lake Placid.

New York Chapter Awards

The New York Chapter has three award classifications for recognizing our fisheries professionals:

Honorary Member Award

The Honorary Member Award is for significant involvement and accomplishments by an individual to the Chapter or official position (i.e. Guest Speakers). Nominations should include a brief biography and discussion of the significant involvement and contributions towards conservation of fisheries/aquatic resource within the Chapter. The only criterion for the award is that the nominee must be a member in good standing.

Professional Achievement Award

The Professional of the Year Award is awarded to an individual employed in a field related to fisheries and aquatic resources. Nominations for individuals should include a brief biography along with information pertaining to service, impact on the resource and other professional, and significant accomplishments. Eligible accomplishments by the nominee can be in one of the following categories: Leadership and Development, Education, Aquaculture, Management, Research and Technical Support.

- Only members in good standing can make nominations
- The recipient must be a member in good standing
- The award is based on fisheries related work in New York

Conservationist of the Year Award

The Conservationist of the Year Award is for significant involvement and accomplishments by an individual or group not employed in the fisheries or aquatic resources field (i.e. Conservation or Angler Groups). Nominations should include a brief biography and discussion of the significant involvement and contributions towards conservation of fisheries/aquatic resources. The only criterion for the award is that the award is based on fisheries/aquatic resource related work accomplished in New York. It is never too late to nominate our peers for their outstanding work related to fisheries and aquatic resources. Please take some time and think about your peers who deserve recognition.

Dave Bryson Memorial Award

The New York Chapter of the American Fisheries Society established the Dave Bryson Memorial Fisheries Fund in memory of Dave Bryson, ex-chapter President and long-time member. Eligible recipients include any college-bound high school students, college student or young fisheries professional in a fisheries-related program of study or a recent college graduate that has received a degree from a fisheries-related program of study within the past two years. The award is intended to assist the recipient in furthering their education or fisheries-related career aspirations and may be used for travel expenses, equipment purchase, or educational costs (i.e. books). Please take some time and think about a student or young professional who deserve recognition.

Nominations can be emailed to Ross Abbett at rabbett@usgs.gov

AFS – New York Chapter Newsletter – Spring 2011

Workshop

There is a backpack electrofishing principles and practices workshop being offered in June:
<http://www.eosalliance.org/schedule/event/backpack-electrofishing-principles-and-practices--->

Jun 21, 2011: 8:30 AM - 5:00 PM
Date(s): Jun 22, 2011: 8:30 AM - 5:00 PM
Jun 23, 2011: 8:30 AM - 5:00 PM
Location: Cornell Biological Field Station
Bridgeport, NY
Instructor: Dr. James B. Reynolds
Tuition: \$795 / \$695*

Student Subunit

The student subunits are: Cobleskill, Fredonia, Cornell, and Morrisville. There is also a Chapter at SUNY ESF.

Northeast Division

The latest edition of "The Northeast Fish Rapper" is now available.

Reminder: Oral Abstracts Due – Monday May 2

"Workshop on Reconciling Spatial Scales and Stock Structures for Fisheries Science and Management"

Monday and Tuesday June 27-28, 2011 Sheraton Harborside Hotel Portsmouth, New Hampshire, USA

For more information and to register: www.tinyurl.com/spatial-scales-workshop

Fishermen and scientists are continually learning that stock boundaries of marine species aren't always what we once thought. Fishery managers often face dilemmas when ecological and management boundaries don't coincide. This public workshop will explore how fisheries management can better use data on stock structure and ecological processes in achieving sustainable fishery resources. Costs and benefits of using increasingly detailed data in management will be discussed. There will be invited speakers, open discussion forums, a poster session, and break-out sessions for talks and panel discussions.

All fisheries stakeholders are encouraged to attend and propose an idea for a talk, poster, or discussion... fishermen especially.

AFS – New York Chapter Newsletter – Spring 2011

Cost:

\$50 2-day registration (includes breakfast, lunch, parking, summary report)*

\$25 Poster session/local seafood dinner cruise aboard *M/V Thomas Leighton* (evening of June 27)

Important Deadlines

May 2 Oral presentation abstracts May 27 Hotel group rate deadline

June 1 Poster presentation abstracts June 15 Registration deadline**

*Commercial fishermen may request a waiver of the registration fee.

** After June 15, registration fee increases to \$75.

Please share with others who may be interested. Thank you.

ANNUAL BUSINESS MEETING MINUTES
NEW YORK CHAPTER OF THE AMERICAN FISHERIES SOCIETY
FEBRUARY 3, 2011
INN ON THE LAKE, CANANDAIGUA, NY

Call to Order

- President Sanderson called the meeting to order and Secretary Jones determined that a quorum for the meeting had been met.
- President Sanderson made a few meeting related logistical announcements and reminders and recognized past officers of the Chapter
 - Web Pearsall
 - Randy Jackson
 - Margaret Murphy
 - Fred Henson
 - Paul McKeown

NED Report

Randy Jackson discussed the following topics from NED

- Financially, NED is improving. Steady as she goes. NED announces the April 15, 2011 Annual Meeting event in the northeast. NED is calling for more agency involvement in the Division.

Society Report

Bill Fisher discussed the following topics from the society

- Journals and literature have been moved to an outside source instead of “The Society”
- The coalition of Natural Resource Society to encourage education more in focus with students skills in relation to industry, additional certification programs and continuing education opportunities.
- Website updates to include the ability to telecast meetings.
- The Society reviewing the 32 policy statements for possible updates.
- The Society has a policy statement under development regarding lead in sport fishing tackle.
- The Society is currently discussion the merits of the tiered membership approach as a method to encourage new membership and retain current members.

Review Minutes: Meeting Minutes from February 4, 2010 meeting were reviewed. Minor edits were recommended. A motion to accept these minutes (as amended) was made by B. Fisher, 2nd by R. Vaas. The motion was unanimously approved.

Treasurer's Report (T-Report): Treasurer Jones presented the Annual Treasurers report. Alan Mack (Audit Chair) reviewed the books and agreed that the books were in order. Auditor Mack and Treasurer Jones will continue to work closely on enhancing the books and soliciting nominations for the 2012.

Old Business

- President Sanderson announced the appointment of two new committee chairpersons. Erik Latrimore has been appointed as the new Website Committee Chairperson and Ross Abbett has been appointed as the new Professional Incentives Committee Chairperson. Welcome both.
- The Cornell Student Subunit plans to organize a New York State Student Colloquium. They are still in the planning stages; however they envision holding the event at the Cornell Biological Station at Shackleton Point. Initial requests for assistance have been made to the Excomm. See new business for additional information presented by T. J. Ross.

Committee Reports

Annual Meeting/Local Arrangements: *Web Pearsall/Scott Jones* – The Annual meeting has been well planned. The venue has remained consistent with past expectation. Approximately 123 registrants are in attendance.

Program: *Matt Sanderson* – Matt has done an outstanding job with the program. He thanks all for their assistance and their attendance.

Newsletter: *Emily Zollweg* – Emily keeps putting out impressive newsletters and would like to hear more input from the students of the Chapter as well as the general membership.

Website: *Erik Latremore* – The committee has decided to award a certificate of appreciation to Bill Snyder for his years of service and initially getting the NYCAFS website up and running. Thanks Bill, we are grateful for your efforts. Erik is taking over the duties of committee chair and enhancing the website to fit the needs of the Chapter for the foreseeable future. A subcommittee has been selected to develop a needs based approach to enhancing the website. The subcommittee and Excomm will update the membership as improvements to the website are scheduled.

Audit/Finance – *Alan Mack* – Alan has reviewed and approved the 2010 books. Treasurer Jones and Auditor Mack will work closely in 2011 to refine the bookkeeping processes and solicit nominations for the Secretary elect position in 2012.

Membership: - *Randy Jackson/Scott Jones* – Membership appears to be steady, although possible shift in increased student participation.

Professional Incentives/Special Awards – *Ross Abbett* – Ross Abbett has been appointed the new chair for this committee. He highlighted the three awards that the Chapter offers through this committee and encourages all to submit nominations often and early. This years recipients were “Conservationist of the Year” – Mike Chochul representing the Seth Green Chapter of Trout unlimited. A motion was made by M. Sanderson, 2nd by R. Vaas nominating George Ketola for the Professional Achievement Award, voting was unanimously in favor. The award will be presented at the banquet for the Professional Achievement Award – George Ketola. Doug Sheppard took an opportunity to thank the Chapter for last year’s award, he was humbled. In addition the five student travel awards will go to Allison Hrycik, Tyler Ross, Brian Henning, Kathleen Marean, and Emily Comwell.

Workshop: *C. VanMaaren* – Chris was unable to report on the Submerged Aquatic Vegetation Workshop as the workshop was held concurrent with this meeting. Base on the current attendance, the workshop was a success.

Student Subunit – *Brian Weidel* – Unfortunately Brian was unable to attend this years meeting, however Brian appears to be making some headway in reinvigorating the student subunits for participation in the Society.

Youth Aquatic Education: - *Tom Hughes* – Tom was unable to make this years meeting as well but provided the attached written report.

Native American Affairs: - *D. Dittman* – Dawn distributed an email to Native American Tribes and will continue to reach out to them. The Haudenosaunee will be issuing a statement on hydrofracking. The St. Regis Mohawk Tribe has received a restoration grant for Lake Sturgeon; Dawn hopes to assist them with their needs surrounding this work.

Native Fishes: - *Lisa Holst* – No report.

Resolutions/Environmental Concerns: *R. Vaas* –Although the Chapter will not be commenting on hydrofracking at this time, Randy will continue to monitor the progression of this natural gas sequestration process. Randy is also monitoring the Asian Carp issue in the Chicago River and Lake Michigan. Copies of the infamous “Aquatic Biologist” narrated by Rod Serling have been found. No resolutions.

Nominating: *Randy Jackson* – Randy announced that the election votes resulted in Frank Flack being the winner of the president-elect position for 2011.

- Following the election results Margaret Murphy and Web Pearsall escorted Ed Woltman to the podium to be installed as President.
- Presented the past-presidents plaque to Matt Sanderson.
- Ed presented the 2011 budget for consideration. After a short presentation highlighting the out of balance budget to account for our deficit spending plan a motion was made by W. Pearsall, 2nd by F. Henson to accept the budget as presented. The motion passed unanimously.

New Business

T. J. Ross from the Cornell Student Sub-unit discussed some of the ideas surrounding the Student Colloquium

- Students need a place to meet (likely Shackleton Point.)
- Create an avenue for lower pressured presentations by students
- Possibly panel discussions
- Tentatively Scheduled for April 30, 2011
- Working with Student Subunit Committee (Brian Weidel)
- Potentially a student lunch
- Assistance from the membership with recruiting participants.

Doug Sheppard thanked the Chapter for his award last year, he was very gracious.

Erik Latremore discussed the website committee and some of the general ideas and upgrades that were being considered for future implementation.

W. Pearsall moved to adjourn the meeting, 2nd by D. Sheppard, unanimously approved. Meeting adjourned.

Youth Aquatic Education - report from Tom Hughes
2/3/11

- Tom continues youth fishing and aquatic education programs through his work with NYS Parks, Project Watershed Central NY and Izaak Walton League Central NY.

- 2011 - possible NY AFS projects:

(1) Coordinate fishing clinic for kids at NE Regionals
Carp Derby in Baldwinsville (May)

(2) Display / youth activities at NYS Park at the Fair
(Aug/Sept)

- Work and personal commitments will continue to limit Tom's ability to coordinate youth education workshop/symposium but Tom is interested in organizing such a thing, if co-ordinating role.

- Upcoming event - February 22, 2011

Ice fishing clinic at Glimmerglass State Park
on Otsego Lake

Over 50 people attended in 2010, so
we need volunteers!

Contact Tom for details ooo
