

Eugene W. Surber Professional Fisheries Scientist & Natural Resource Conservationist Awards

Virginia Chapter of the American Fisheries Society

The Virginia Chapter of the American Fisheries Society is seeking nominations for the following awards:

Eugene W. Surber Professional Fisheries Scientist Award: Given to a professional fisheries scientist based on either a number of years of significant contributions to the field of fisheries science or on the basis of a single very significant contribution during the calendar year.

Natural Resource Conservationist Award: Given to a citizen or non-fisheries professional who has demonstrated outstanding protection or enhancement of aquatic resources on their property or who has made significant contributions to the protection of aquatic resources within the state of Virginia.

This nomination form and supporting materials should be emailed to the Past President of the Virginia Chapter listed at <https://units.fisheries.org/va/officers/> with the subject line 'Surber Award' or "Conservationist Award," as appropriate.
